

Lighthouse Rules

These rules apply to scouts, families, friends/visitors, and leaders...everyone, whether you are a church or youth group member or not.

1. No running, playing, sitting, or hanging out on the stairwell.
2. No hanging out on the 2nd floor balcony. Wait for other people or your ride on the ground floor.
3. **No food or drinks, including water, in the building (anywhere)**. Drinking fountains are available.
4. No cleats.
5. Back (south) stairwell is off limits.
6. Sound booth in auditorium is off limits.
7. Stage in auditorium is off limits.
8. First floor is off limits.
9. Elevator is off limits.
10. Reception desk area is off limits.
11. Playgrounds are off limits.
12. No climbing on fences.
13. Scouts, including venture scouts, must stay in auditorium or classroom as assigned. No wandering around.
14. Clean rooms and put things back the way they were before leaving.
15. While it is best not to bring siblings to weekly meetings, it will be permitted as long as they are closely supervised by their parents. All rules apply to parents and siblings.

Everyone: scouts, leaders, and families, must all work together to adhere to the rules so that we don't give the church any reason to be unhappy with us. We are guests here at HUMC. If we fail, we may lose this facility as our meeting place.
